Letter no. A 469/42-43 of 13-8-42 from the P.D.B. Chittalop requesting that ~~the~~ two presence of the Pst. & two members while registering the lease deeds need not be insisted upon, etc.

In G.O. No. L 316-36/LB 13-41-87 of 13-7-42, sanction was accorded to the form of Mutchalika to be taken for lease deeds of collecting taxes in Shandies.

According to the above order, it is necessary that the President and two members of the Bd. should be present at the time of registration of the deed.

The President requests that this rule may be relaxed and the presence of the President and two members need not be insisted upon as it amounts to unnecessary expre to the Bd. in the form of T.A., etc.

There seems to be some force in the argument that Bds' funds should be unnecessarily spent on T.A. etc.

Submitted for orders.

(Kind refee is invited to the opinion of the Inspector General of Registration in para 5 of the file LB 13-41-11 placed below. A similar request of the President, Kadur Distt Board was declined. (Flag Z). It is for orders if a similar reply may be sent to the President, Chitaldrug Distt Board or any answer be added that there is real inconvenience caused to the President & the non-Offl Members by visiting on this rule. It would also mean some additional expenditure to the Board in the shape of T.A to the Members for doing this work. There is therefore some force in the contention of the Secretary. It is for orders if the registration Act may not be suitably amended so as to exempt the President & the non-Offl members from attendance in the registration Offices

9 The views of the D.S. of Registration are recorded in the file below. He says that there is no provision in the Act to exempt the President & witnesses of the District Board from attendance at the Registration office (S. 88 of the Act) & if they are to be exempted, the Act will have to be amended.

10 The President says that there are practical difficulties for him & the members of the Board to attend the Registration office - further, it is not a desirable arrangement also. There is no scope for exemption.

11 It is well known how such deed are being Registered by the non-official Pundits of the Provincial Courts & the District Boards presidents. If exemption is sought for by all the Public Bodies, then the Govt may receive the difficulty by amending the Act - otherwise not.

31) However the conclusions of opinion is that there is a real practical difficulty in requiring the attendance of the Presidents of the Dt. Bd members of the Dt. Bd at sub-registry offices, and it is suggested that the Registrars may be asked to register the documents instead viewing upon the attendance of the members.

32) The President, Bangalore Dt. Bd. suggests that the lease deed be got registered by the Contractors at their cost on 10 anna stamp papers, which would thus become a unilateral contract once more. The P.D.B. Hassan recommends the amendment to the Registration Act in a suitable manner. So does the Presidents of the Shimoga* Dts. The P.D.B Mysore states that the practice of attendance of Dt. Bd members does not exist in the Dt. (which is contrary to existing rules). P.D.B. Tumkur also requests exemption from attendance.

38) The Deputy Commissioners of Districts were requested to ascertain and intimate how often in a year the President and 2 Members of a District Board would have to appear before Sub Registrars in connection with the registration of lease deeds under present conditions. alone) it is seen that there is necessity for such exemption as the number of such appearances is large. Action may -- therefore be taken to amend Section 88 of the Registration Act to exempt the Presidents and Members of District Boards from appearing before Sub Registrars or signing as provided in Section 58 of the Act.

2) Under the District Boards Act certain Government -- Officers are appointed to serve as Members of the Boards. - If they affix their signatures to the documents, their -- appearance will not be necessary in Sub Registry Offices. - The President may grant a power of attorney to some person - authorising him to appear on his behalf in a Sub Registry - Office, until Section 88 is amended.

Final Note by the Minister for Public Works

Subject.—

Proposal to exempt the Presidents and Members of District Boards and of Municipal Councils from attending the offices of the Sub Registrars when contract deeds for the collection of shandy fees are presented for registration.

102 Representations have been made to Government that the Presidents and Members of District Boards and Municipal Councils should be exempted from such attendance on the ground that it involves expense and loss of time to the local bodies. The request for such an exemption appears reasonable and as it requires an amendment of the Registration Act, a Bill has been drafted for the purpose of effecting necessary changes.

103 To overcome this difficulty till the amendment to the law is effected, and, as officers of Government are already exempted from appearance under the Registration Act, Members of District Boards who are officers of Government, have been asked to sign documents requiring registration, the President deputing some person to attend by power of attorney.

104 The Dewan and other Ministers are agreeable to the proposed Bill and I solicit the gracious approval of His Highness to introduce it in the Representative Assembly at the ensuing Dasara Session, 1943.

EVENING TAPPALS.

(Through the Deputy Commissioner, Chitaldrug District.)

OFFICE OF THE DEPUTY COMMISSIONER No 2523 Sir. 14. AUG. 1942 CHITALDRUG DISTRICT.

Subject:- Question of registration of Mutchalikas got executed to the District Board from the licensees as prescribed in G.O.No.L.316-36/L.B.13-41-87. dated the 13th July 1942.

--:o:--

Adverting to the annexure to the Government order quoted above on the subject, I have the honour to state as follows:-

The lease deed is ordered to be got executed between the District Board (hereinafter called the owners) and the licensee (the party taking the concern on lease). According to the schedule "B", signature of the President and two members of the Board with the common seal of the Board is insisted upon.

A document was got executed very recently in this office in respect of a lease of collection of shandy fees at Bharmasagara during 1942-43 in accordance with the requirements of the Government order quoted above. The same was presented by the licensee before the Sub-Registrar Chitaldrug for Registration. The Sub-Registrar demanded the party to produce the President and two members of the Board before him for effecting the registration. The deed was returned to the party unregistered. The instance of the presence of the President and two members of the Board for the registration of the documents leads to unnecessary

expenditure to the Board in the form of T.A., and inconvenience to the District Board members attesting the documents. The members of the Board reside in many cases in villages away from Taluk Head quarters. Besides the honorary members of the Board will be engaged in their multifarious engagements and it will be very difficult to arrange a date convenient to all the attestors of the deeds to attend for registration in various Taluks all over the District. The deeds are all held up without registration on account of this practical difficulty.

Under the above circumstances, I request you to kindly cause to issue necessary circular orders to the Registration Department to register the District Board deeds whenever they are presented by licensees and sureties before the Sub-Registrars, with the common seal of the Board and not to insist on the presence of the President and the members of the Board in that behalf.

Dear Sir,

Adverting to Government Order No. L. 7900-923/L. B. 33-39-44 dated 22nd March 1942 directing that the Lease Deeds in respect of the lease of Shandies &c., should be a Bi-lateral contract, and Government Order No. L. 316-36/L. B. 13-41-87 dated 13th July 1942 prescribing a form in which the lease deeds have to be executed, I write to state as follows:-

1) Hitherto the Contractors were executing the Mutchalikas in ~~form~~ favour of the President of the District Board and getting it registered at their own cost. Now that the agreement is to be bi-lateral and has to be signed by the President and two members on behalf of the Board, a point has arisen whether the President and the two members should attend the Registration Office along with the Contractors for the registration of the lease deed.

In this connection, I beg to state that it would be very inconvenient for the members to attend the Registration Office in each Taluk on the day suitable to the Contractors. It also involves extra expenditure in shape of Travelling Allowance, to these members. It may lead to delay in execution of the lease deeds.

To obviate the above difficulties, I would request you to kindly obtain orders of Government that the lease deeds in the amended form may continue to be got ~~executed~~ registered by the Contractors at their cost on ten anna stamp papers.

Sir,

With reference to your letter No.L.3811-7/L.B.30-41-112 dated 6th October 1942, asking me to state the practice prevailing in whie District Board at present, regarding the presence of the President of the District Board in the registration Offices during registration of lease deeds of the collection of fees in Shandies under the District Boards etc., I have the honour to state that the presence of the President is invariably being insisted upon during registration in the registration office, causing great personal inconveneance to the President and causing inordinate delay in getting the lease dedds registered.

To obviate this difficulty and render the lease deeds registerable easily, the suggestian to amend the Registration Act suitably as suggested in the letter is certainly a welcome move.

Hence I request that the Government will be pleased to take necessary steps in the matter.

Sir,

With reference to your letter No.L.3811-7.L.B.13-41-112 dated 6th October 1942, I have the honour to state that the practice prevailing in this District is that the presence of the President and two Members of the District Board will be insisted upon at the time of Registeration of the Lease Deeds. Many a time, the two members of the Board will not be residents of the Taluk Head quarters, where the Sub-Registrar's Office is located with the result that they have to come from long distances which will un-necessarily cost the Board by way of Travelling Allowance to these members.

Owing to various private engagements of the Non-official Members of the Board, it will be a great task for them, the President and the parties concerned, to be present at the same time for effecting the execution and Registration.

DEPUTY COMMISSIONER'S OFFICE

In these circumstances I am of opinion that the existing clause in the Registration Act may be so amended as to obivate this difficulty by exempting the President and the two Members of the Board from being present in the Registration Office and also it would be better to alter the rule and allow the parties to execute the documents before the President and exempt the Members.

Sir,

I have the honour to state that the agreements for the collection of shandy fees are now being executed by two parties in accordance with the instructions issued by Government in their Order No.L.7900-23/L.B. 33-39-44 dated the 2nd March 1942. But when the same are presented for registration in the Sub Registrars' Offices, the presence of the President and the Members of the Board at the Sub Registrars' Offices are pressed for registration. Hence the subject as intimated by the Sub Registrar, Kunigal, was placed before the Board at their meeting held on 23rd December 1942. They have, after a long consideration, resolved that Government might be requested for exemption in view that the work of the President and Members would be handicapped and that travelling allowance for journeys will have to be paid for each of them. A copy of the resolution is enclosed herein for ready reference.

EVENING TAPPAL — THE CITY COMMISSIONER'S OFFICE — 17 FEB 1943 — Gl. No. [illegible] — KOLAR DISTRICT.

2187

With reference to your letter No.L.3811-7 L.B. 13-41-112 dated 6th Octr:1942 and subsequent reminders thereon regarding the practice prevailing in this District Board at present, in the matter of the registration of the lease-deeds for the collection of fees in shandies under the control of the District Board etc., I have the honour to state that the procedure in vogue in this District is that the deed is being registered in the Registration Office in the presence of the Sanitary Inspector as a representative of the Board, and some witnesses as required under the rules of Registration. No difficulty is being experienced in this District, so far. Anyway it is not possible for the President and the District Board Members to be present in the Registration Office at the time of the registration of the bonds as it would disturb the legitimate work in this behalf.

I have the honour to be,
Sir,
Your most obedient servant,

In Government Order No.L.316-36/L.B. 13-41-87 dated the 13th July 1942, a form of mutchalika was prescribed to be got executed and registered in favour of the District Boards by lessees of shandies. According to schedule 'B' of the form, the signatures of the President and two members of the Board concerned have also to be affixed with the common seal of the Board so that the contract deed may be a bilateral one.

The presence of the President and the two members of the District Board before the Sub-Registrar at the time of the registration of the aboovesaid document has been found to be both expensive and inconvenient. This practical difficulty having been felt by several District Boards, representations have been made to Government for taking necessary action to obviate if not to do away with the difficulty by reverting to the old method of getting the lessees to execute an agreement on a ~~12~~ ten anna stamp paper.

The Deputy Commissioners of Districts were requested to ascertain and intimate how often in a year, the President and two members of a District Board would have to appear before the Sub Registrar, in connection with the registration of lease deeds under present conditions. Government therefore consider it necessary to take action to amend Section 88 of the Mysore Registration Act, so as to exempt the President and the Members of the District Boards from appearing before Sub-Registrars as provided in Section 88 of the Act.

In order, however, to tide over the difficulties during the interim period until the proposed legislative action is concluded, Government are pleased to direct that, for the time being, the Officers of Government appointed to serve as members of A. G. O. No. L. 7900-23—L. B 33-39-44, dated 2nd March 1942.

Registration and Form of Contract Deeds for the Collection of Shandy Fees.

Passes orders *re* —— to be executed in favour of the District Boards.

READ—

Government Order No. L. 7579-90—L. B. 34-37-55, dated 12th March 1938, directing that the lease deeds executed by shandy and market contractors in favour of District Boards and Municipalities should be registered.

2. Government Notification No. L. 6066—L. B. 33-39-43, dated 16th January 1942, notifying the reduction to annas ten of the duty chargeable on lease deeds executed by contractors who purchase the right to collect fees in markets, shandies and slaughter houses under the control of the District Boards and Municipalities in the State.

ORDER No. L. 7900-23—L. B. 33-39-44, DATED BANGALORE, THE 2ND MARCH 1942.

On a question raised by some of the Presidents of District Boards whether it is necessary that the lease deeds executed by the contractors who purchase the right of collecting fees in markets and shandies under the control of the District Boards and Municipalities should be registered, it was clearly laid down in the Government Order dated 12th March 1938, read above, that these documents should invariably be registered under the provisions of sections 4 and 107 of the Transfer of Property Act read with section 17 of the Registration Act. The Presidents of some of the District Boards have subsequently represented that the registration of these deeds would work as a hardship on the contractors as they would have to pay very heavy stamp duty and have accordingly requested that the orders passed may be reconsidered, cancelling the registration of such deeds. Government observe that this question of registration has been thoroughly considered several times and that no revision of the orders passed in this behalf is called for.

2. With a view, however, to mitigating the hardships caused to the contractors and relieving them from the payment of heavy stamp duty entailed by the registration, Government have directed in their notification read above that the stamp duty in respect of such agreements be reduced to annas ten.

3. As regards the agreement or contract executed, the form in use in the District Boards does not satisfy the requirements of clauses 2 and 3 of Section 36 of the Mysore District Boards Act. It is merely a unilateral muchalika or an agreement executed by the contractor in favour of the President of the Board concerned. It should strictly be a bilateral contract and the form of agreement should accordingly be one to be executed by two parties, the first party being the District Board and the second party the contractor. The bond has therefore to be signed by the President, two other members of the District Board and also the contractor. To this end there should be a common seal of the District Board to be affixed to the bond.

4. Government accordingly direct the adoption of the form and the procedure prescribed so as to satisfy the requirements of law involved in such transactions.

A BILL TO AMEND THE MYSORE REGISTRATION ACT OF 1903.

HH 515

Statement of Principles.

Lease deeds executed in favour of the District Boards for the collection of shandy fees have to be got registered and require the presence of the President and two members of the Board in the Sub-Registry Office at the time of registration of the deed.

Representations have been received by Government that this results in expenditure and loss of time. Government are of opinion that exemption from attendance should in such cases be granted to Presidents and members of District Boards as well as Municipal Councils. The amendment now proposed to the Registration Act is intended to provide for such an exemption.

Statement of objects and Reasons

~~Statement of Principles.~~

Lease deeds executed in favour of the District Boards for the collection of shandy fees have to be got registered and require the presence of the President and two members of the Board in the Sub-Registry Office at the time of registration of the deed.

Representations have been received by Government that this results in expenditure and loss of time. Government are of opinion that exemption from attendance should in such cases be granted to Presidents and members of District Boards as well as Municipal Councils. The amendment now proposed to the Registration Act is intended to provide for such an exemption.

A Bill further to amend the Mysore Registration Act, 1903.

Whereas it is expedient further to amend the Mysore Registration Act, I of 1903 ; Preamble.

It is hereby enacted as follows :—

1. This Act may be called the Mysore Registration (Amendment) Act, 194 . Short title.

2. In section 88 of the Mysore Registration Act, 1903, after the words "any officer of Government" the words "or for any President or member of District Board or of a Municipal Council", and after the words "such officer of Government", the words "President or member of a District Board or of a Municipal Council" shall be added. Amendment of section 88, Act I of 1903.

THE MYSORE REGISTRATION (amendment) BILL.

Sir, I beg to move that the Mysore Registration (Amendment) Bill be taken into consideration by the Council at once.

On an examination of the provisions of the Mysore District Boards Act and the Mysore Municipalities Acts, Government came to the conclusion that lease deeds executed by contractors, who purchase the right of collecting fees in markets and shandies under the control of the District Boards and Municipalities, should be one executed by both parties. They, accordingly, issued a Government Order in March 1942. According to the form prescribed by the Government in ~~their behalf~~, the signatures of the President and two members of the District Boards are necessary to be affixed to the deed. Representations have, however, since been received by the Government that the ~~personal~~ presence of the President and members of the Board before the Sub-Registrar at the time of registration is expensive as well as inconvenient. On an enquiry undertaken by the Government it is ascertained that the number of such appearances before the Sub-Registrar is very large and that the need has arisen for exempting Presidents and members of District Boards and Municipalities from this necessity of personal appearance before the Sub-Registrar. The present Bill is intended to obviate ~~the~~ this difficulty and inconvenience ~~felt in these circumstances~~ by making suitable amendment in the Registration Act.

The Bill is a very simple one and it had the unanimous approval of the members of the Representative Assembly when the Bill was placed before that Chamber in October last. I am sure it will commend itself to the members of the Council also.
